

CONFIRMATION CEREMONY NOTES

Saturday, February 8, 2020 @ 12:00 p.m.

Inclement Weather Policy: During this time of year we are all aware of the possible event of inclement weather. Just note if there is a chance for inclement weather on the day of Confirmation, several days of discussion with Fr. Joe, the Bishop's Office and Parish Staff will have already taken place. Check your email or the parish web page for updates! Note: 9 out of 10 times we will still have the Confirmation Mass.

Safety Clause: During inclement weather, we do understand that there is a safety concern. This decision will be made by your family and your Confirmondi. So please make your best judgment.

Sponsors: We are also aware that many sponsors may be traveling in from out of town and from around the KC area. They too must make the best judgment to attend. If unable to attend the Confirmation Mass, a Confirmation Proxy will be needed. The role of the Proxy is that the original Sponsor is giving authority to have another person fill in and act on behalf of them. So if the sponsor is unable to physically attend, they are still the sponsor for your child. The Proxy is a stand-in and can be anyone.

Not Attending: If your judgment is not to attend during inclement weather, other opportunities for the Confirmondi to make their Confirmation either at St. Therese or elsewhere will need to be arranged.
